

**Visitor Policy Change  
due to  
2019 Novel Coronavirus**

***EFFECTIVE IMMEDIATELY***

The health and safety of our patients, visitors, employees, and community remain our top priority. Therefore, in line with the latest guidelines issued by public health officials related to COVID-19, we have temporarily revised our visitation policy and screening process.

***VISITORS ARE NOT ALLOWED***

***All exceptions must be pre-approved by the  
Hospice House Administrator (707) 267-9800***

***If approved, there is a limit of 2 visitors per patient at all times.***

All other visitors must remain outside the building.

***Each visitor will be screened and your temperature will be obtained.***

Based on the results of the screening and temperature you may not be allowed to visit.

***Hand hygiene will be required each time you enter the building.***

***Visitors must bring their own face covering to wear during visit.***

***We greatly appreciate your understanding and patience during this time.***
